

Token Sale Agreement

Eldorado Digi World Service – Effective: May 2025

1. General Provisions

This Token Sale Agreement (“Agreement”) governs the terms and conditions for the acquisition of ELDO Tokens (“Tokens”) via the platform operated by **Eldorado Digi World Service**, headquartered in Dubai, United Arab Emirates (“Eldorado”), by individuals or legal entities (“User”).

2. Nature of the Tokens

2.1 The ELDO Token is a pure utility token on the Solana blockchain. It does not grant ownership rights, dividend claims, or equity participation in Eldorado.

2.2 The Tokens are intended exclusively for use within the Eldorado ecosystem, including but not limited to:

- Staking
 - NFT-based retirement plans
 - Governance (DAO participation)
 - Access to content and platform features
-

3. Eligibility

3.1 The Token Sale is exclusively available to persons who are legally permitted to participate in such offerings under the laws of their country of residence.

3.2 Users confirm that they:

- Are at least 18 years of age
- Are not citizens or tax residents of sanctioned or restricted countries
- Are not politically exposed persons (PEPs), unless such status is disclosed and approved

3.3 Participation requires full KYC (Know Your Customer) and AML (Anti-Money Laundering) verification. Eldorado reserves the right to reject or exclude users at any time.

4. Risks and Liability

4.1 The User expressly acknowledges that acquiring, holding, and trading Tokens involves significant risks (e.g., loss of value, hacking, regulatory changes).

4.2 Eldorado makes no guarantees regarding price stability, listing, liquidity, or value retention of the Tokens.

4.3 There is no buyback obligation, no yield guarantee, and no commitment by Eldorado to redeem the Tokens.

4.4 The smart contracts are provided on an "**as is**" basis without warranties of any kind.

5. No Right of Withdrawal

5.1 Due to the digital nature and irreversible character of blockchain transactions, no statutory right of withdrawal applies.

5.2 The User explicitly waives any legal right to return or revoke the purchase.

6. Payments

6.1 Payments for Tokens can be made in the following currencies:

– Fiat: EUR, USD

– Cryptocurrencies: BTC, ETH, SOL, USDT, USDC

6.2 Token prices and any applicable discounts depend on the respective sale phase (Early Sale, Private Sale, Public Sale).

6.3 Only fully paid and verified transactions will result in the allocation of Tokens.

7. Delivery of Tokens

7.1 Tokens will be delivered to the wallet address specified by the User upon receipt of payment and successful KYC approval.

7.2 Eldorado assumes no responsibility for incorrectly provided wallet addresses.

7.3 Tokens are issued on the Solana blockchain; compatibility with Solana-compatible wallets is required.

8. Tax Responsibility

The User is solely responsible for fulfilling any tax obligations related to the acquisition, holding, or disposal of ELDO Tokens in their country of residence.

9. Data Protection

Personal data will be processed exclusively in accordance with KYC/AML obligations and the applicable data protection laws of the United Arab Emirates.

10. Severability

If any provision of this Agreement is found to be legally invalid or unenforceable, the remaining provisions shall remain in full force and effect.

11. Governing Law and Jurisdiction

This Agreement is governed by the laws of the United Arab Emirates. The exclusive place of jurisdiction for all disputes arising from or in connection with this Agreement is Dubai, unless otherwise required by mandatory legal provisions.

Reference

All further information about the technology, tokenomics, and functionality of the ELDO Token can be found in the official Whitepaper. This document is for informational purposes only and does not constitute any contractual obligation.
